

PENICUIK CINEMA in the TOWN HALL SUNDAY THE FIRST OF MAY 2011

Bill Douglas's Comrades made in 1986 and (at 183 minutes) rarely seen, with Alex Norton as the Lanternist, Imelda Staunton, James Fox, Barbara Windsor, Robin Soans, William Gaminara, Jeremy Flynn, Keith Allen, Stephen Bateman, Philip Davis, Michael Horder, Freddie Jones, Vanessa Redgrave, Robert Stephens, Simon Parsonage. Breathtaking cinematography by Gale Tattersall (House) and production design by Michael Pickwood (Withnail & I, Dr Who) Bill Douglas's remarkable and lovingly unhistrionic portrait of the Tolpuddle Martyrs is beautifully made. An invaluable record of important historical events by Midlothian's filmmaking genius.
