**Hitchcock's The Lady Vanishes** with Margaret Lockwood, Michael Redgrave, Dame May Whitty  
UK 1938 96m Among Hitch's best early work; shows his growing talent for building suspense from an unlikely mix of the commonplace and the incredible. Post-Munich times were just right for nervous laughter and the film builds up tension on a delicious foundation of slow burning comedy. £4 Start 7.30 finish well before 10.00 pm regular buses refreshments at cinema [www.kosmoid.net/penicuik/cinema](http://www.kosmoid.net/penicuik/cinema)
