ST. VALENTINES DAY
SATURDAY 14 FEBRUARY 2009 at 7.30

skyhook -an exciting collaboration of three of the finest acoustic musicians. **Martin Harwood, Cath James** and **Eoin Teather** play traditional tunes and songs from Scotland, Ireland, Cape Breton Island, plus brand new self-penned compositions. **skyhook** are breathtaking twin fiddles combined with sublime guitar, bouzouki and voice. Shifting seamlessly between driving dance music and spine-tingling songs, they play with a joy and precision that's hard to match.

"astoundingly good" - Stirrings Magazine

"overwhelmingly blown away by a stunning three piece... Two superb fiddlers accompanied by a fine, fine guitarist (who also turned out to be an unbelievably good singer)" - Keith Donnelly

"Acoustic trio skyhook create fabulous Celtic folk with a mixture of glorious abandon and respect for the music's traditions, which makes for lovely energising listening." - Musician magazine
